

ARCHITECTURAL
GRATES + DRAINS

100MNDi12MTL

Linear Drain

All stainless steel drainage unit made to specified length with specified outlet position.

This is the shallowest channel available in the Stormtech product range. The low profile at just 16mm is perfect for renovators as it requires no serious structural channels allowing the channel to fit easily within the tiling bed.

100MND is a punched grate designed by Marc Newson.

Code 100MNDi12MTL

Range 100

Grate Style MND

Category Made-to-Length
